Memorandum

To: Dr. Joseph A. Morgan
Through: Dr. Byul Hur
From: Matthew Greco
Date: September 13, 2016
Subject: IP Ownership Agreement

The purpose of this memorandum is to specify the ownership of the intellectual property (IP) generated during the Capstone Design Experience in relation to the IoT system produced by Enclave Electronics. The following people are all stakeholders and have their relation to the aforementioned project listed:

Enclave Electronics
Matthew Greco - Project Manager
Xuan (Mike) Gao - Software Engineer
Jonathan Presley - Software Engineer
Matthew Johnson - Test Engineer
Erin Prucha - Hardware Engineer
Ryan Sharpe - Hardware Engineer

Sponsor - Dr. Joseph Morgan, D.E., P.E.
Advisor - Dr. Byul Hur

All stakeholders will share an equal part of the intellectual property and will be permitted to further pursue development and commercial production of the IoT system.
